

Middleware

```
graph BT; A[CheckForMaintenanceMode] --> B[Middleware];
```

The diagram consists of two rectangular boxes. The top box is white with a thin gray border and contains the text 'Middleware'. The bottom box is gray with a thick black border and contains the text 'CheckForMaintenanceMode'. A solid blue arrow points vertically from the top center of the gray box to the bottom center of the white box, indicating a dependency or relationship.

CheckForMaintenanceMode
